**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are supposed to be the greatest nation on Earth. And yet, our corporate practices are draconian at best.

My wife and I both work from home, and we pay a small fortune for connectivity through Comcast. We also both lived abroad, where there was ample competition which kept prices down and discouraged price hikes for no reason whatsoever.

Please do not let this continue to be an oligopoly driven communications market.
